DEPUTY CLERK

Motion to Reconsider Dismissal
of Neil Hefferman P.A.

If Please's the Court here come's WM. Branch
Pleading in Motion. Please Reconsider the
Order to Dismiss Neil Hefferman P.A.

my Pleadings to the Courts have been Retaliation
see: Relief on Complaint No. XV. also see: IV Statement
of claim Retaliation for Reporting Miss conducts by
staff and Conspiracy by staff. Mr Hefferman is
staff and he has not said I ordered the change and
has not Pleaded that Hefferman made the change
Justice Requires a statement from Hefferman, he
made the change or he did not Reason: falsifying
official documents. Page 6 memorandum. The Court
does not say that Mr Hefferman wrote the order to
Mr Diet. I am say the change was not a ~~legitimate~~
legitimate Prescription and if Hefferman did not
do it someone used his Name. The Courts have
Ruled failer to follow Dr. order Prescription

elements of Cruel and unusual Punishment. who ever did this knew what they were doing they used someone else's name to cause mental anguish a form of Pain. I have High Blood Pressure and a ADA and Punishment puts me at Risk of a Heart attack. Dr. orders stay ~~etc~~ calm avoid stress. for the jail to cause stress for me is a infliction of deliberate indifference to my well being I may suffer a stroke or death. a inmate fail dead on my Block because of stress from sto he had High Blood Pressure as well. (inmate thom Mr Hetterman is a important part of the Per Ponder of evidence and events that will show the Retaliation and Conspiracy by staff members to violate my Constitutional Rights to be free from Retaliation + accessing the courts, and for Reporting misconduct by staff members. Please see Exhibit AA-2 mailed 10/4/01 to the court. Mr Hetterman state's he did not write the order, who used his name. a ordered this change Regardless of the change they were informed someone tried to cause me harm and Broke the Law. For these Reasons and more ~~back~~ I ask this Honorable Court to Reconsider its order to dismiss Mr Hetterman Based upon my Pleading Modicum.

Respectfully
